The Big Now theme encourages youth to think ambitiously and act promptly

#### THINK BIG! ACT NOW!

MGF 2023 will be a dynamic celebration of the boundless potential within each young individual. MGF is more than an event; it's a journey where we dare to challenge the norms, dream beyond and envision a world that knows no limits. But it doesn't stop at dreaming. "Act Now" is our anthem, a call to turn aspirations into actions, to seize the present and craft the future we envision.
